

LASSITER HIGH SCHOOL *Orchestra* PROGRAM BOOK

Sponsor our orchestra by purchasing an ad!

The LHS Orchestra Program Book provides students, parents, and other concert attendees with information about the orchestra program and a beautiful orchestra keepsake for the year. The Program Book also serves as an important fundraising source for the LHS Orchestra through the sale of advertisements.

Advertisements can come in the form of personal ads from parents honoring their student or advertisements from local businesses and corporations.

The program book will be distributed at all of the orchestra's concerts and sponsors will also be listed on our website. Please see the opposite side of this flyer for more information about selling and purchasing advertisements to support the Lassiter High School Orchestra!!

The program book is professionally designed and printed. Included in the booklet is information about the LHS Orchestra program, professional photographs of each orchestra, a featured photo of the student leadership and the senior class of 2023.
